MOTIVATION

I am looking for an opportunity in Sophia Antipolis after my studies. Curious and methodical, I enjoy designing efficient and optimized solutions, both in front-end and back-end. My goal is to join a dynamic team where I can keep learning and actively contribute to innovative projects.

SKILLS

Languages

- Html / Css
- Javascript
- Typescript
- C#
- Java
- Rust

Frameworks

- React
- NextJs
- Angular
- Laravel
- NestJs
- .Net
- Spring Boot
